Drawing inspiration from the popular TV game show 'The Cube,' our Beat the Box team-building event features teams tackling a variety of challenges designed to foster communication, teamwork, and problem-solving. With a mix of individual and group tasks, this engaging and competitive event has proved to be enjoyable for everyone.

This thrilling event blends timed 'box' challenges carried out at team tables with dramatic gameshow-style challenges set in our Beat the Box arena. Throughout the event, teams will compete in head-to-head activities. With a diverse range of challenges to choose from, there will be something engaging for every participant.

Beat The Box Arena - Teams will spend time in our impressive inflatable cube, aiming to complete as many of our showcase challenges as possible. We emphasise recognizing the unique abilities of each team member and encourage clear communication to identify these strengths. Maximising everyone's talents is essential to the team's success.

The Box - Teams will be provided with an iPad and their very own 'beat the box' chest containing over 50 fun-fuelled individual and group activities. This is your chance to shine and showcase your skills. The fast-paced, eclectic challenges are pre-installed onto an easy-to-use app, and teams will submit evidence of their completion to the games master, who will award points accordingly.

Do you and your team have what it takes to Beat the Box?
