Embark on a cruise along one of London's famous waterways, uncovering hidden gems and taking in stunning views along the way. With enough room for up to 8 people, our eco-friendly boats are available to board from centrally located Paddington or the iconic Docklands of Canary Wharf. With a relaxing top speed of up to 3.5 knots, each boat is equipped with an eco-friendly and sustainable silent electric motor.

Before setting sail, you'll receive a comprehensive safety briefing to ensure everyone is well-prepared and confident. An experienced skipper will demonstrate all necessary procedures, providing lifejackets, an iPad with advanced treasure-hunting software, and a map of the permitted waterways.

Paddington

Ideal for those seeking a centrally located activity, cruise down Regent's Canal through picturesque Little Venice, where you'll find charming waterside cafés, cozy pubs, and rows of narrowboats. Continue towards Camden Lock, navigating through Maida Hill Tunnel and beneath the weeping willows of Regents Park.

Canary Wharf

Witness the impressive regeneration of Docklands, characterized by stunning architecture and breathtaking views. On the Canary Wharf Treasure Hunt, cruise downriver for close-up views of spectacular skyscrapers. This serene route allows for mooring, picnicking, and even ordering refreshments directly to your boat.

The Canal Treasure Hunt can be themed or personalised in a variety of different ways. The length of the hunt may also be adjusted to fit your schedule.

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
