

Evening Teambuilding

## Casino

### EVENT FACTS:

**Duration:** Approx. 3 hours

**Location:** Nationwide

**Group Size:** 10-500

### Key Benefits:

-  Broad Appeal
-  Great fun
-  Risk management
-  Light hearted competition

Don your finest dinner suits and ball gowns, and with a fist full of 'dollars' you can chance your hand on red and lose everything - without losing anything!

How good is your Poker face in Texas Hold 'Em? Will you get in a spin playing Roulette? Double down in Blackjack before shooting some dice on the Craps table.

For those not familiar with casino gaming, our professional croupiers are on hand to help – they'll explain the rules and even give you tips on beating the house! We give everyone the same amount of 'money' to wager away...

This evening event works brilliantly before dinner, run alongside a drinks reception, or afterwards to get guests off their tables and interacting. We can run this event in a relaxed format or form teams where more competition is desired.

Our Casino set up is fully mobile. Our full size gaming tables will take ten players and are adapted to be portable, but are otherwise exactly the same as you'd find in Monte Carlo! To finish off the evening we count up your winnings to declare a winner!
