Christmas Derby: Race to Build Your Sleigh! Join Santa's elves, reindeer, and fellow racers in our exciting Christmas Derby! In this unique twist on our popular F1 Challenge, you'll design, build, and race your very own sleigh during a lively team-building event brimming with seasonal cheer. Your team will start with a pre-built sleigh chassis, and it's up to you to craft the rest!

You'll be provided with various materials to build and decorate your sleigh, but feel free to get creative and incorporate any festive items you find to make your design truly stand out! Our scrutineers will evaluate the sleighs and award points for creativity and innovation. Your team will also pitch festive sponsorship deals to our Branding Manager, with bonus points for clever seasonal-themed company names and amusing sponsor logos. The grand finale features the head-to-head pit stop challenge, with the winning team crowned Festive Derby Champions! This event combines creativity, seasonal fun, and competition, offering a thrilling and enjoyable team-building experience. Our Christmas Derby is a crowd favourite, with everyone embracing the joyful spirit of the season.

After the event, teams will deconstruct their sleighs and dispose of materials in the appropriate recycling bins—keeping our Derby clean and green! Want to energize your group before the race?
