### Laser Clays

A complete replica of traditional clay pigeon shooting; five people shoot at clay targets, which are fired at various angles at up to 60mph, 50ft above ground. Complete with genuine guns and sound effects, individuals' scores are displayed on a giant live scoreboard.

### Archery

Robin Hood has nothing on our qualified instructors, who will give you a full brief on the correct technique to ensure you hit the golden bullseye every time! Judgement and finesse are the watch words here!

### Air Pistols

Practice your precision on our Pistol range. Using these pneumatic firearms, each team will be given the chance to fire at different targets in order to score maximum points.

### Segways

Lean forwards to go forwards, lean back to brake or go backwards, a light tug on the control column to the left or right to steer – that's it. Now all you need to do is negotiate your way around our complex course!

### Human Table Football

This is one of our most enjoyable team activities, not only to participate in but also to watch! Imagine giant table football, in teams of five, you slide from side to side along the crossbars in order to get to the ball and score goals. No spinning!

### Inflatible Volleyball

Prepare for lots of team fun on this 20' x 40' bouncy beach volleyball court, complete with palm trees! Six a-side, teams play the bounciest game of Volleyball ever in this giant inflatable arena.

### Axe Throwing

Channel your inner Viking with this Norseman inspired activity! Teams are taught the 'proper' axe throwing technique before taking it in turns to put their skills to the test by launching axes at our targets... will you prove yourself in the eyes of Thor?

### Crossbows

Are you William Tell re-incarnate? Have a go with our high-powered, modern crossbows with telescopic sights, all under the expert eye of our qualified instructors. Please, no shooting apples off colleagues' heads...

#### Blindfold 4x4 Driving

Think you can drive blindfolded? Teamwork and communication is the key to this challenge, communicating with your passengers to navigate your way accurately around the course, then time to swap out and have a go at directing...

#### Falconry

Try your hand at the Sport of Kings, our falconers have a range of majestic birds of prey for you to hold, feed and hunt. The instructor will let the birds fly to you, landing on your arm and eating out of your hands, then watch these spectacular birds soar overhead.

#### Duck Herding

You're like a Wild West Cowboy, but with ducks! Work as a team to manoeuvre a gaggle of geese or ducks back into their pen. Hilarity ensues as you struggle to corral these cute little critters but our country gent is on hand to help and give you tips!

#### Quad Bikes

Speed and accuracy take equal importance here when riding the Yamaha 125cc Quad Bikes. After a helmet fitting and safety brief, riders set off around our course under the eye of our track stewards.

#### Off Road Buggies

Have an adrenaline filled ride in our off-road buggies. Team members will be given a safety brief before attempting to set the fastest lap time around our track. Drivers will be equipped with helmets and track marshals will be supervising.

#### Powerturns

These hilarious machines have two seats and two engines, one controlled by each throttle-jockey, which power the wheels at different speeds. In order to drive quickly around the course you have to coordinate throttles. Cue teamwork and hysteries as you control them!

#### Argocats

Argocats look more at home on a battlefield than an activity field. These six wheeled off road vehicles have two seats and with the help of our instructor, team members will make their way around our track. Great fun on any terrain.

#### Mini Tanks

These single-seater tanks are great fun. Miniature versions of WWII Panzer tanks, their caterpillar tracks mean they can go over almost any ground to navigate around our course.
