

# Outdoor Teambuilding Country Sports

Reward

Motivate

Team Cohesion

Friendly Competition

 Duration:  
**Approx. 2-6 hours**

 Location:  
**Nationwide**

 Group Size:  
**5 - 200**

Experience the great outdoors with a variety of exhilarating outdoor activities suitable for all abilities. The teams rotate around a number of activity zones experiencing the various challenges on offer. Who will be able to master the Segways, score the highest on the Laser Clay shooting or hit the most bullseyes on the Archery? There's only one way to find out.....

- Laser Clays
- Archery
- Air Pistols
- Segways
- Axe Throwing
- Crossbows
- ArcheryTag
- Human Table Football
- Inflatable Volleyball
- Duck Herding
- Falconry
- Blindfold 4x4 Driving
- Quad Bikes
- Off road Buggies
- Powerturns

How steady is your hand on our pistol and crossbow ranges? Our Country Sports days focus on fun and team bonding, a mixture of energetic and relaxed challenges for everyone to enjoy! For venues which can accommodate motorised activities, we can put together a package of high adrenaline motorised sports, see our 'motorised activities' below.

## What's Included:

- ✔ A combination of the above activities, according to group size and budget
- ✔ Expert guidance towards to the most suitable challenges
- ✔ Medals for the winning team
- ✔ Event management and experienced instructors

## Optional Extras:

- ✔ Event Photography or Filming
- ✔ Upgraded prizes – Champagne, Chocolates, Trophies
- ✔ Team clothing – Shirts, Caps etc

## Activity Descriptions

### Laser Clays

A complete replica of traditional clay pigeon shooting; five people shoot at clay targets, which are fired at various angles at up to 60mph, 50ft above ground. Complete with genuine guns and sound effects, individuals' scores are displayed on a giant live scoreboard.

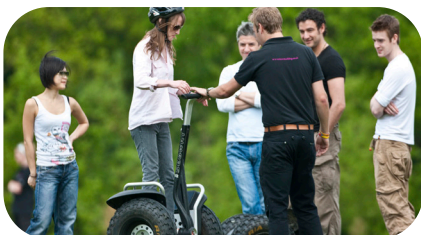

### Archery

Robin Hood has nothing on our qualified instructors, who will give you a full brief on the correct technique to ensure you hit the golden bullseye every time! Judgement and finesse are the watch words here!

### Air Pistols

Practice your precision on our Pistol range. Using these pneumatic firearms, each team will be given the chance to fire at different targets in order to score maximum points.

### Segways

Lean forwards to go forwards, lean back to brake or go backwards, a light tug on the control column to the left or right to steer that's it. Now all you need to do is negotiate your way around our complex course!

## Axe Throwing

Channel your inner Viking with this Norseman inspired activity! Teams are taught the 'proper' axe throwing technique before taking it in turns to put their skills to the test by launching axes at our targets.. will you prove yourselves in the eyes of Thor?

## Crossbows

Are you William Tell re-incarnate? Have a go with our high powered, modern crossbows with telescopic sights, all under the expert eye of our qualified instructors. Please, no shooting apples off colleagues' heads...

## Archery Tag

Dodge, duck, dip, dive and... arrows? No this isn't dodgeball, it's Archerytag! Though some of the rules are the same, you're not testing your throwing arm but your archery skills. This game dials up the adrenaline and competition!

## Human Table Football

This is one of our most enjoyable team activities, not only to participate in but also to watch! Imagine giant table football, in teams of five, you slide from side to side along the crossbars in order to get to the ball and score goals. No spinning!

## Inflatable Volleyball

Prepare for lots of team fun on this 20' x 40' bouncy beach volleyball court, complete with palm trees! Six a side, teams play the bounciest game of Volleyball ever in this giant inflatable arena.

## Duck Herding

You're like a Wild West Cowboy, but with ducks! Work as a team to manoeuvre a gaggle of geese or ducks back into their pen. Hilarity ensues as you struggle to corral these cute little critters but our country gent is on hand to help and give you tips!

## Falconry

Try your hand at the Sport of Kings, our falconers have a range of majestic birds of prey for you to hold, feed and hunt. The instructor will let the birds fly to you, landing on your arm and eating out of your hands, then watch these spectacular birds soar overhead.

## Blindfold 4x4 Driving

Think you can drive blindfolded? Teamwork and communication is the key to this challenge, communicating with your passengers to navigate your way accurately around the course, then time to swap out and have a go at directing...

## Quad Bikes

Speed and accuracy take equal importance here when riding the Yamaha 125cc Quad Bikes. After a helmet fitting and safety brief, riders set off around our course under the eye of our track stewards.

## Off Road Buggies

Have an adrenaline filled ride in our off road buggies. Team members will be given a safety brief before attempting to set the fastest lap time around our track. Drivers will be equipped with helmets and track marshals will be supervising.

## Powerturns

These hilarious machines have two seats and two engines, one controlled by each throttle jockey which power the wheels at different speeds. In order to drive quickly around the course you have to coordinate throttles. Cue teamwork and hysteries as you control them!

### HOW DOES IT WORK?

## A day to remember

**Step 1** Contact our team

**Step 2** Receive a bespoke proposal options

**Step 3** Select your preferred option

**Step 4** Enjoy the day!
