

Outdoor Teambuilding

Falconry

EVENT FACTS:

Duration: Approx. 1-2 hours

Location: Nationwide

Group Size: 10-100

This spectacular activity leaves everyone in awe; watch as our Falconer displays these stunning birds of prey to the delight and rapture of your group.

You'll be given a short introduction to the 'Sport of Kings'; it was historically used to teach humility as, no matter who you are, the power and majesty of these beautiful birds humbles all who learn to train them.

Put on the thick leather glove for a chance to hold and feed one of these regal raptors and then let it take off and land on your arm. Have a go at hunting with hawks, the bird will soar majestically in search of some hidden food before diving in for the 'kill'.

Falconry is yet another spectacular Country Sports activity which can also be booked as a stand-alone experience for a small group. As part of a rotation, falconry might last for half an hour, but a more intensive experience could easily make a couple of hours fly by...

Key Benefits:

-  Command Task
-  Trust
-  Tangible results
-  Teamwork

What's Included:

-  Professional Falconry Instructor
-  Birds of prey
-  Handling equipment
