Family Fun Days

EVENT FACTS:

Duration: Approx. 3-6 hours

Location: Nationwide

Group Size: 10-500

A corporate Family Fun Day is the perfect opportunity for employers to cement their relationship with their staff - it is about everyone enjoying a day out and having a great time.

This is an excellent way to show appreciation to hard working staff and value the support they receive from their families. Our Family Fun Days are superb fun with seriously silly activities for all ages to enjoy!

We often include giant inflatables - Bouncy Castles, Slides and major structures such as Inflatable Volleyball and Giant Table Football. Try the awesome inflatable Obstacle Course, Bungee Run and Sumo Run, all reminiscent of 'It's a Knockout'.

Our Country Sports are always popular: from Archery to Laser Clay Shooting, Falconry and even Duck Herding – probably the cutest activity we offer, it is adored by all! Some sporting activities from "The Olympic Games" event might appeal; Golf Chip, Football Shoot, Relay Race, Javelin and of course the Egg & Spoon race...

We entertain the young with clowns, face painting, fairground rides and musical attractions. Let us also organise catering for kids and grown-ups alike – including ice cream vans!

How about Motorised activities? Try Mini Tanks or the hilariously fun Powerturners – where two drivers share one vehicle but control a throttle and wheel each, resulting in brilliantly funny spins and wheelies.
