Step into the spotlight and take your team on an unforgettable cinematic adventure through London — a city that's starred in more films than any other! From historic landmarks to blockbuster backdrops, your mission is to uncover clues, tackle challenges, and chase down the magic of the movies.

Your red carpet experience begins at a location of your choice — whether it's your office, a hotel, a conference venue, a classic London pub, or even the iconic Waterloo Station. Our production crew (a.k.a. your event hosts) will meet you there to launch your journey.

After a quick "director's briefing," each team will receive an iPad loaded with our interactive treasure hunt app — think of it as your own digital script. Use it to navigate across the city, solving film-inspired puzzles, recreating scenes from timeless classics, and completing Hollywood-worthy challenges.

Along the way, you'll visit star-studded locations like the Tower of London, the Globe Theatre, South Bank, the London Eye, Westminster, Piccadilly Circus, Covent Garden, Buckingham Palace, Leicester Square, Trafalgar Square — and plenty of other reel-worthy sites!

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot –no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
