This is our tribute to the greatest game show of the 70's, 80's and 90's! We bring back some of the weird and wonderful challenges of The Generation Game... Over the course of dinner, you will have a go at crazy challenges and each table takes part in a light hearted competition. These spectacularly silly activities will have you laughing all the way through.

**The Haka** – Our Maori Tribesmen teach you how to Haka!

**Balloon Modelling** – Create the craziest balloon models you can...

**Seasonal Challenge** – Decorate some succulent seasonal sensations.

**Catwalk Capers** – Fabulous fashion designs from our selection of "Nanna's Curtains"...

**Morris Dancing** – Have a go at traditional English folk dancing at its best!

**Cake Decorating** – Mightily messy and tremendously tasty.

Tables are judged by the professionals on their performance in each challenge and given points accordingly. Then to round off you compete in the Conveyor Belt Challenge –this finale needs no introduction –you need to memorise the items before they disappear... "Dinner service.... Fondue Set.... Cuddly Toy!". At the end of the night we take a look at "the scores on the doors" to find a winning table to receive Generation Game medals!
