Hidden Quest Treasure Hunt

EVENT FACTS:

Duration: Approx. 2-4 hours

Location: Nationwide

Group Size: 10-250

This energising expedition will have your group split into teams and hunting for clues in and around your conference venue. Using our iPads loaded with cunning Treasure Hunt software you'll be led on an exciting, energetic and interactive quest.

Complete the challenges at 'hot-spots' for points which are uploaded instantly to the live scoreboard which everyone can see... This feature really ramps up the competition as teams race around to increase their scores and keep ahead!

The map shows your location in real time so there's no tricky, old-fashioned map reading; but it also shows the locations of all the other teams too... This, along with the live scoreboard, makes our Treasure Hunts supremely fun and very competitive!

There are more 'hot-spots' than it's possible to reach in an hour, even if you're a team of long distance runners! If teams want to win the medals, then they need to plan their route carefully to go past as many locations as possible.

A 1hr Treasure Hunt is a brilliant way to start a conference, exercising your delegates' heads and legs outdoors. The light-hearted competition gets everyone in the mind-set for the meetings ahead.

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
