

Charity Teambuilding Karts for Kids

Creative expression

Community impact

Team collaboration

 Duration:
Approx. 2-3 hours

 Location:
Nationwide

 Group Size:
5-100

Get ready to roll with “Karts for Kids” – a high-energy team-building activity where your team designs, builds, and races their own wooden karts. This unique event combines teamwork, creativity, and friendly competition as teams assemble, decorate, and race hand-built karts in an exciting finale. The best part? All karts will be donated to local schools or charities, spreading joy to children in the community. It’s a memorable day that blends team bonding with a rewarding charitable impact. Each team starts with partly build kart. The first challenge is to build the kart With materials, tools, and a bit of imagination, teams set to work designing the body. From sleek racing styles to playful themes, every team can personalise their kart equipment provided, making each one a unique reflection of their team spirit.

Assemble and Brand Your Kart: Building the kart is only part of the fun! Teams are encouraged to create a brand identity with a custom logo, team name, and “sponsor” decals. Teams can also wear matching caps and aprons, bringing unity and camaraderie as they represent their “brand” in the upcoming race. Race to the Finish Line: With karts built and branded, it’s time for the main event: the race! Teams line up for a high-energy head-to-head race, navigating a lively course with a quick pit stop. Cheers fill the air as teams give their all to reach the finish line, making it an exhilarating experience for everyone. After a thrilling podium celebration, the event wraps up with a heartwarming moment as each team’s kart is donated to local schools or charities. Teams leave with a sense of accomplishment, knowing their teamwork and effort will bring joy to children who will cherish these karts.
