Our London Treasure Hunt takes your team on an exciting journey through the nation's great capital, exploring the history and sights of this historic city.

You will be met by us at a pre-determined location. Whether it's your offices, a hotel, conference centre, pub, restaurant or even Waterloo Station, we can meet you anywhere and start the Treasure Hunt from any location.

You will receive a briefing from your event manager and each team will be issued with an iPad. The iPads are loaded with bespoke software that allows teams to navigate around the city answering a variety of questions and completing various challenges.

During the Treasure Trail you will almost certainly visit prime locations such as The Tower of London, Globe Theatre, South Bank, The London Eye, Westminster, Piccadilly Circus, Covent Garden, Buckingham Palace, Leicester Square, Trafalgar Square and much more!

You may also have to find a couple of our characters during your journey. Once found, these characters will give you additional tasks for bonus points. London's full of characters though so keep your wits about you!

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
