For the petrol heads amongst you we have our Motorised Team Building event. This spectacular day incorporates adrenaline fuelled activities in motorised vehicles from our off road Segways to the exhilarating Apache Buggies.

The event is designed to give you the ultimate thrill, a boisterous day of driving off road in various mechanised contraptions from Mini Tanks to the hilariously fun Powerturners.

- 'Rage' Buggies
- Segways
- Argocats
- Quad Bikes
- Blindfold Driving
- Powerturns

The emphasis on this event is team bonding with friendly competition. Your team drives through the challenges as quickly as possible speed is not the only goal however, as points are awarded for precision driving.

Whilst we encourage the most enjoyment possible, safety is of paramount importance. Our experienced instructors and track marshals ensure everyone is properly instructed and wearing the correct safety gear. All helmets etc. are provided.

What's Included:

- ✔ A combination of the above activities, according to group size and budget
- ✔ Expert guidance towards to the most suitable challenges
- ✔ Medals for the winning team
- ✔ Event management and experienced instructors

Optional Extras:

- ✔ Event Photography or Filming
- ✔ Upgraded prizes – Champagne, Chocolates, Trophies
- ✔ Team clothing – Shirts, Caps etc

Activity Descriptions

Rage Buggies

Have an adrenaline filled ride in our off road buggies. Team members will given a safety brief before attempting to set the fastest lap time around our track. Drivers will be equipped with helmets and track marshals will be supervising.

Quad Bikes

Speed and accuracy take equal importance here when riding the Yamaha 125cc Quad Bikes. After a helmet fitting and safety brief, riders set off around our course under the eye of our track stewards.

Segways

Lean forwards to go forwards, lean back to brake or go backwards, a light tug on the control column to the left or right to steer that's it. Now all you need to do is negotiate your way around our complex course!

Blindfold Driving

Think you can drive blindfolded? Teamwork and communication is the key to this challenge, communicating with your passengers to navigate your way accurately around the course, then time to swap out and have a go at directing...

Argocats

Argocats look more at home on a battlefield than an activity field. These six wheeled off road vehicles have two seats and with the help of our instructor, team members will make their way around our track. Great fun on any terrain.

Powerturns

These hilarious machines have two seats and two engines, one controlled by each throttle jockey which power the wheels at different speeds. In order to drive quickly around the course you have to coordinate throttles. Cue teamwork and hysteries as you control them!
