Prepare yourself for hysterics, dramatics and murderous fanatics... During pre-dinner drinks there's a dramatic scream and a gunshot – what's happened?!

Inspector Willy Catchem arrives to explain the hullabaloo; to the shock and horror of your group he declares there's been a murder! And the bloody blaggardis still in the building... The Inspector needs your help to catch them.

This event is a tongue-in-cheek evening of dastardly double entendre and insidious innuendo. Our professional actors will have you laughing and musing in equal measure, scratching your heads as you try to figure out whodunnit! Between courses our experienced actors will work the room and visit each table in turn, giving their version of events. But who can you trust? Nothing is quite as it seems –everyone has a motive but who has an alibi...?

With cunning costumes and realistic props you'll be immersed in this crime caper. To round off the evening, each table shows off their sleuthing skills, suggesting who they think did it – murderer, motive and method.
