The Parmesan Job II

EVENT FACTS:

Duration: Approx. 6 hours

Location: New Forest/ Solent

Group Size: 8-120

The ultimate teambuilding event based on our highly successful original Parmesan Job and inspired by the classic film 'The Italian Job', this day doesn't hold back; teams range over land and then sea in pursuit of the elusive gold...

Not only do you get to drive a fleet of Minis around the beautiful New Forest National Park, you then take to the water in our stunning identical Rib powerboats flying across The Solent in high speed close formation manoeuvres. This is the ultimate high adrenaline, high specification fun teambuilding event.

Your team will be given an iPad to guide your mission. Cunning software shows your location and allows you to see the other teams' locations in real time. Not only will you see where the other teams are, you also see their scores constantly updating on the live scoreboard making for a tense, dynamic and exciting day with a mad adrenaline rush to beat your competitors!

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
