Get ready for our awe inspiring flagship and most exciting team building event based on the classic film The Italian Job. This is a once in a lifetime adventure fueled by our fleet of stunning Fiat 500s which, yes, you drive!

At the start of the event you will be met by one of our shady gang members who gives you an introduction to the mission ahead. You'll then navigate your way to find clues, meet characters and complete challenges.

Your team will be given an iPad to guide your mission. Cunning software shows your location and allows you to see the other teams' locations in real time. Not only will you see where the other teams are, you also see their scores constantly updating on the live scoreboard making for a tense, dynamic and exciting day with a mad adrenaline rush to beat your competitors!

Teams will also meet shady characters on route, some may help, some may hinder. They all play parts in a brilliantly fun script which runs through the event and finishes in a dramatic climax where you're "only supposed to blow the bloody doors off!"

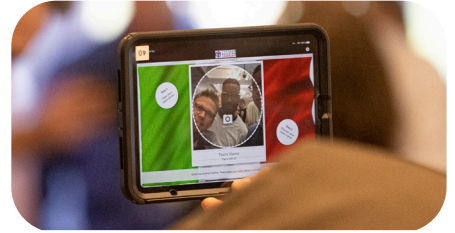

We can run this teambuilding event anywhere in the UK convenient to you. Clues and locations may be set up around any appropriate venue and are specific to the immediate surroundings each event is completely unique!

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
