10-250

Our Quizmania is an interactive and engaging quiz that takes you and your team around the world using our iPad Minis.

As a team you will be presented with your iPad tablet for the evening which contains a variety of general knowledge questions, mental conundrums and creative challenges! Teams will have to unlock challenges linked to locations across the Globe.

Unlike your standard pub quiz, these challenges will include posing for photos, acting out video challenges and scouring the room and nearby area for items to collect, all hosted on our smart iPad software. Points are uploaded instantly to the live score board which everyone can see!

At the end of the evening, teams will be shown some of the highlights including the most comical and creative clips. The winning (and losing) team will then be announced!

Post event your photos and clips will be sent over to be shared around the office.

Our Quiz Evening works well as an over dinner event between courses, or as an after dinner entertainment. This event works perfectly for entertaining guests, breaking the ice and bonding teams.

What's Included:

-  Quiz master
