In this event, each team is supplied with their own purpose built baking station. Our professional chef will show you how to bake some delectable dishes before pitting the teams against each other in a fun, competitive and quintessentially British, Bake Off!

Don chef's hats and aprons and get ready to use your loaf... You'll go home with a fuller tummy, new skills and your own hat... But will you be complimented on "your buns" and "dough balls" or chastised for your "soggy bottoms"? ...to quote the presenters!

After a short demonstration, the chef will challenge the teams to make a variety of bakery and pastry items. Teams go head to head, against the clock to make, bake and ice a selection of seasonal goods.

Once time's up, chef will judge your bakes; has your team, and your dish, risen to the challenge, or has your filo flopped and your display debacle spelt disaster?

The British Bake Off is great for those wanting a team building event which is fun and formative. The day is geared so that the best team, which uses its individuals' strengths and manages their time most effectively, wins.
