Thames Rib Treasure Hunt

EVENT FACTS:

Duration: Approx. 2-3 hours
Location: River Thames
Group Size: 5-200

Our Thames Rib Treasure Hunt is the most exciting team building event available in London! View the city from an entirely different perspective whilst motoring down the Thames completing Treasure Hunt challenges, followed by a stunning high speed blast to the Thames Barrier.

We start from St. Katherine's Pier, directly under Tower Bridge. The pier has a private slip road, perfect for coaches. The Treasure Hunt takes place in the central section of London, taking in all of the iconic sights from St. Pauls to Parliament.

After a safety briefing from your Lead Skipper, your group is divided into teams of up to eight before being kitted out with lifejackets and waterproof clothing (if required). We operate a fleet of stunning, identical high speed Ribs perfect for corporate events.

At Vauxhall Bridge, the boats turn around and head back towards the Tower of London. After Tower Bridge, we turn on the taps for a white knuckle ride that takes us via Canary Wharf, past The O2 and out through the Thames Barrier!

Thames Rib Treasure Hunts can be run all year round, only snow storms slow us down! Please talk to us to work out the best options for your group, we work with small teams right up to huge groups; we own the largest fleet of Ribs in Europe.

Catering can be arranged before or after the event at The Dickens Inn or The Guoman Tower Hotel at St.Katherine's Dock.

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
