Rib Treasure Hunt

Location: South Coast

Group Size: 5-200

Ribs (Rigid Inflatable Boats) are one of the most exciting experiences on offer in the team building world. These craft are high speed, great fun and extremely safe – and give an awesome new dimension to a Treasure Hunt.

Blast around the beautiful South Coast popping into the Solent's quaint ports to complete challenges. Guiding your Hunt will be our waterproof iPads with state-of-the-art Treasure Hunt software and our friendly skippers.

Following a safety brief, you will be led down to our fleet of stunning, matched Rib powerboats where you will be kitted out with waterproof clothing and lifejackets. The Ribs are fully equipped, certified and insured for passenger carrying.

Each group receives a challenge pack containing a waterproof iPad tablet loaded with awesome software. An interactive map will show you the locations of the challenges to be completed in each port. After a high speed, high adrenaline dash to the harbours, you'll jump out to complete the tasks; but hurry, the clock is ticking!

We can run this event on The Thames and The Solent. The main location is The Solent which is one of the world's most famous yachting meccas. The Solent is well served by train and the M3, and has excellent hotels.

The Tablets

Each team will be provided with an Apple iPad tablet, pre loaded with state of the art treasure hunt software. Teams will be guided by the interactive onscreen map throughout the event, which will not only show every challenge and task you face, but will also keep you aware of where rival teams are throughout the day.

The technology will track your team everywhere you go and will only allow questions and challenges to be activated when you're in the vicinity of that particular hotspot – no more Googling the answers from the pub!

Teams earn points for correct answers and receive penalties for incorrect answers. As challenges are completed and questions answered, your score will be instantly updated to the live scoreboard alongside that of your competitors', fuelling the competition!

The fiendish software shows you the locations of all the other teams; you will need to be thinking three steps ahead to keep the lead, thus making the day tense and adrenaline filled...

Our treasure hunts are scripted to ensure teams meet up on route at key locations guaranteeing a dynamic event with amusing and competitive interaction between teams!

We are able to incorporate bespoke graphics for the tablet backgrounds and create unique content ideal for addressing corporate themes or objectives.
