In this delightful event, each team will be equipped with their own purpose-built baking station. Our professional chef will guide you through the process of creating scrumptious holiday treats before putting your skills to the test in a fun, competitive Bake Off inspired by Christmas cheer!

Don your chef's hats and aprons and get ready to roll up your sleeves! You'll leave with a satisfied tummy, new baking skills, and your very own hat. But will your creations be praised for their delightful "buns" and festive "dough balls," or will you face the dreaded critique of "soggy bottoms"?

After a brief demonstration, the chef will challenge the teams to whip up a variety of festive bakery and pastry items. You'll race against the clock to bake and decorate an assortment of seasonal delights including gingerbread men and yule logs.

When time's up, our chef will judge your bakes—did your team rise to the occasion, or has your filo flopped and your display turned into a Christmas disaster?

"Santa's Little Bakers" is perfect for those seeking a fun and engaging team-building experience. The day is designed so that the best team, leveraging each member's strengths and managing time effectively, takes home the ultimate baking crown!
