

Outdoor Teambuilding

Spy School

Activity Descriptions

Sniper Shoot

An essential skill for any spy, practice your marksmanship on our rifle range. Use these high powered pneumatic firearms to shoot at exploding targets and score points for your team.

Fire Making

Agents need to be able to survive in the wilderness. The most fundamental skill is the ability to light a fire. Under the supervision of our instructor you'll learn how start a fire with very limited resources.

Crossbows

Have a go with our high-powered, modern crossbows with telescopic sights, all under the expert eye of our qualified instructors. Please, no shooting apples off colleagues' heads...

Breakout

Your colleagues have managed to obtain a top secret encrypted document. Using the military field telephones in each tent, the task is to obtain a description and to replicate it as accurately as possible.

Laser Maze

This 'Mission Impossible' style challenge involves sneaking through a maze of laser beams against the clock to retrieve the secret documents..

Hand to Hand Combat

It's not all guns and car chases; our operatives need to be able to defend themselves unarmed. Here a martial arts expert teaches you self defence techniques.

Outdoor Teambuilding

Spy School

Activity Descriptions

Stage Fighting

Having learnt how to defend yourself, now learn how to take (fake) hits like a professional stuntman. Choreograph a fight sequence to earn your team points for the most convincing display.

Pulse Ranger

Time to put the marksmanship into practice. Teams are engaged in mortal combat against each other. Pulse Ranger uses lasers to register hits on your opponent's helmet. Like Paintballing but without the pain!

Quad Bikes

Speed and accuracy take equal importance here when riding the Yamaha 125cc Quad Bikes. After a helmet fitting and safety brief, riders set off around our course under the eye of our track stewards.

Blindfold 4x4 Driving

Teamwork and communication is the key to this challenge, communicating with your passengers to navigate your way accurately around the course.

Argocats

These six wheeled off road vehicles have two seats and with the help of our instructor, team members will make their way around our track. Great fun on any terrain.

Mini Tanks

These single-seater tanks are great fun. Miniature versions of WWII Panzer tanks, their caterpillar tracks mean they can go over almost any ground to navigate around our course.
