

Indoor Teambuilding

Team Wok

EVENT FACTS:

Duration: Approx. 3 hours

Location: Nationwide

Group Size: 5-150

Prepare for spicy competition and a good dollop of soy sauce in this incredibly hot team building event!

But don't worry if you're not a chilli crusader and prefer more subtle seasoning - we cater for all tastes in our Team Wok cooking challenge. Watch as our worldly chefs show off their stir-fried skills giving you some inspiration for your own dishes.

After a demonstration you'll get to work creating your own team dishes in this culinary challenge. Battle against other teams, and the clock, to produce the finest home-cooked Asian dishes this side of Hong Kong.

Our well-seasoned chef will begin with a short introduction to Asian cooking and teach you some characteristically Oriental knife handling skills. Next chef demonstrates how to make some famous delicacies before you're tasked with creating your very own Asian dishes.

This day will also introduce the team to more complex regional Chinese and Thai dishes. Choose from Green Curry to Pad Thai or Chow Mein to Dim Sum, or maybe you're a Macau maverick and create your very own Asian fusion...

Can your team keep cool under the pressure of this hot kitchen? Plan and prepare your dishes with care, using all your team's expertise if you want to win this competitive cooking challenge! You'll be marked by the judges on the presentation, taste and innovation.
