

Outdoor Teambuilding

The Olympic Games

EVENT FACTS:

Duration: Approx. 3-4 hours

Location: Nationwide

Group Size: 20-200

A fast paced event that takes inspiration from the Olympics, this fun packed day allows your team to experience a little taster of what it's like to be an Olympian. Sort of.

You will represent your countries in a series of head to head target and team based sports. Your marksmanship will be tested in archery, laser clay and air rifle shooting. Human table football and inflatable volleyball will then get you playing as a team.

Compete in our decathlon track & field zones, with a combination of serious and fun events. Challenge yourself with the javelin and discus, and have a go at events not quite ratified by the International Olympic Committee such as the egg & spoon race and skipping.....

After the briefing, our Event Manager/ Olympic Chairman will split the group into national teams. Each team will then create their own country along with a national flag and anthem ready for the opening ceremony.

Once the opening ceremony concludes and the cheering fades, teams will be pitched into a series of light hearted sporting challenges which will exercise but not exert.
