

Outdoor Teambuilding

# Tour De Team

## EVENT FACTS:

**Duration:** Approx. 2-3 hours

**Location:** Nationwide

**Group Size:** 10-100

Each team is given a brand new, dismantled bike frame with a tool kit and work station. But to get the wheels turning, teams must complete a series of challenges to prove they have the required skills to compete in the 'Tour de Team'. You'll have to think outside the box as you rotate around the head to head challenge zones.

Warm up with an exercise bike race first team to complete a virtual lap wins. Teams must create their own 'Tour de Team' brand, designing a logo to decorate their team overalls and caps.

In preparation for your very own 'Tour' of the venue, we test your navigation skills with an orienteering exercise, followed by a quick cycling trivia quiz. At every challenge you'll win an essential part of the bike – you'll need them all or you might be racing without wheels!

Having won all the parts you'll construct a working bicycle to be expertly scrutinised by a professional bike technician. The teams have a few minutes in the limelight to show off their company branding and designs to the group and judges.

Finally teams will be positioned in an arena where their bike handling skills will be put to the test. Doubtless each team will enjoy the whole hearted support of all spectators; in fact we pretty much guarantee the finale will be a frenzy of cheering and jeering.

After you've caught your breath we reveal the teams' scores and the winners get their own Tour De Team gold medals.

## Key Benefits:

-  Delegation
-  Creativity
-  Tangible results
-  Teamwork

## What's Included:

-  Professional bike technician
-  Bike per team
-  Flag and materials
-  Bike build tool kit
