Step into the shadows of deceit and treachery as you immerse yourself in a traitor's event styled murder mystery. With whispers of conspiracy and betrayal echoing through the dimly lit corridors, each participant becomes both detective and suspect in a riveting tale of mystery and deception.

In the year 1954, a gathering has been arranged by Peregrine Worsfold, who tragically passed away in January. Among the attendees are his estranged son, his former secretary and mistress, a former business associate, and a soldier with whom he shared wartime experiences. They've all been enticed to this meeting under the pretense of an inheritance from Worsfold's estate. However, little do they know that one among them is the perpetrator behind Worsfold's untimely demise.

Each of the attendees (clients) will be handed an envelope as dinner commences. Within each envelope lies a clue. Hidden within one of these envelopes is the identity of the murderer. The guests are tasked with unravelling the mystery, yet for one among them, the challenge lies in concealing their knowledge.

Join us for an evening of suspense, suspicion, and strategy, where the stakes are high and every move could be your last. Are you ready to uncover the secrets that lie within the traitor's den?
