Welcome to a festive murder mystery where you, the jury, will dive into a captivating case filled Christmas chaos. Judge Santa introduces a whimsical backdrop to this enchanting story, calling upon three colourful witnesses to take the stand between courses and share their tales.

Prepare for cross-examinations as you engage in lively discussions with the witnesses and the accused. Collaborate as a team to sift through the evidence, asking probing questions and piecing together the narratives. Whose account holds water, and whose tale seems a touch too magical? What secrets are they hiding? This interactive and entertaining experience pairs perfectly with your Christmas feast, ensuring you'll be both amused and bewildered by the quirky details of the case: a love triangle, a milk float mishap, a deceased dachshund, and a gentlemen mysteriously "as-salted" with a porcelain peanut bowl?

As the courses are served, Judge Santa unfolds the story. The defendant, one of Santa's mischievous Elves, stands accused of causing Christmas Chaos and it is up to your team to decide – guilty or not guilty?

With each witness's statement, the plot thickens! It's up to you, the jury, to use your wits and intuition to unravel the truth. Once you've delivered your verdict, Judge Santa will break the fourth wall to reveal whether you've successfully uncovered the culprit.
