

Indoor Teambuilding

Wine Tasting

EVENT FACTS:

Duration: Approx. 2 hours

Location: Nationwide

Group Size: 5-150

Your exclusive wine experience will be hosted by our resident expert. He has a depth of experience in the drinks industry dating back to 1987 (collecting numerous awards along the way), and an infectious passion for wine, whisky and other fine drinks.

Whether you are a wine connoisseur, malt whisky buff or simply wish to drink better, we will take the time to select the right product for your palate and your pocket, removing the need to pore over endless publications or trail around miles of shelves.

In the Taste Map, the tasting itself, guests will taste and score wines based on their own personal preferences. They'll also use the Nez du Vin aroma kits and Wine Experience colour charts to build their own tasting notes.

On conclusion of the event, members of the team will be blindfolded and told to taste three wines. Some will have been from the samples earlier and some are new. Participants decide which is which from what they have learnt in the evening.
